

AFTER

BEFORE

Labels help in preventing misplacement of products at warehouses and in making warehouse management more efficient.

Safety management

Habitual work leads to simple mistakes such as accidentally pressing the wrong button. Labels help to prevent mistakes like this, ensuring operators' safety.

<p>(A) Helmets</p>  <p>Safety First</p>	<p>(B) Notices</p>  <p>Safety helmets must be worn</p>
<p>(C) Switches</p>  <p>STOP</p>	<p>(D) Operational cautions</p>  <p>CHECK PRESSURE WHEN RELEASING</p>

Equipment management

Managing with labels can prevent loss and mix-ups of small parts that tend to be lost, shared materials used by many people, and large volumes of packages. It also helps improve work efficiency.

<p>(E) Machinery/materials management</p>  <p>Forklift 1 CASIO CONSTRUCTION M-NO14</p>	<p>(F) Shelf management</p>  <p>Under Control of Production Department</p>	<p>(G) Cables</p>  <p>LINE A-01</p>	<p>(H) Document management</p>  <p>Business Reports 2018 (1st Half)</p>

Offices

Labels make complicated report management easy.

Convenient tapes for warehouse management

Fluorescent Tape

Make reminders stand out more with bright colours of fluorescent tape that catch the eye.

Choose from four bright colours

Tape colour / text colour				
Tape width	18mm	12mm	9mm	

High-Strength Adhesive Tape

High-strength adhesive tape provides peace of mind when managing shared equipment that sees long-term use.

For equipment management, etc.

Tape colour / text colour	BLACK on WHITE
Tape width	18mm 12mm 9mm

Magnetic Tape

*For use with models KL-G2 and KL-7400 only

Magnets are a big help if you want to change the place labels that are attached to things such as steel shelves and whiteboards.

Wide and easy to read
24mm width

Tape colour / text colour	BLACK on WHITE
Tape width	24mm

Heat Shrink Tube

Complex cable management is a breeze with cylindrical heat shrink tubes that fit firmly to cables.

Heat with an industrial heat gun and they shrink to attach tightly.

Tape colour / text colour	BLACK on WHITE	Tape width	18mm 9mm
---------------------------	----------------	------------	----------

Cable Flexible Tape

Organise cables that are hard to tell apart with cable tape attachable to curved surfaces.

Attach along the cable or wrap around it.

Tape colour / text colour	BLACK on WHITE	Tape width	18mm 12mm 9mm
---------------------------	----------------	------------	---------------

Solid backup for warehouse management work through a wide range of functions

Barcode Printing

*KL-G2 / KL-7400 / KL-820 / KL-130 [12 mm or wider tape]

Barcodes are a great help in organising warehouses and making work more efficient. They are also convenient for managing materials and products by POS systems.

For managing materials and products

Designed Logo printing

*KL-G2 / KL-7400 / KL-HD1 / KL-820 / KL-130 [12 mm or wider tape]

Design Logo with illustrations greatly improve ease of understanding even for cautions that would be hard to understand by text alone. 60 types are available.

Designed Logo examples

*KL-G2 / KL-HD1 / KL-130 : Available in 8 languages (English / Spanish / French / German / Italian / Swedish / Portuguese / Indonesian)
*KL-7400 / KL-820 : Available in 6 languages (English / Spanish / French / German / Italian / Swedish)

Expanded Label

*KL-G2 [12 mm or wider tape (top and bottom margin left if using 18 or 24 mm tape)]

Make large labels easily by printing labels and attaching them together to make caution messages stand out.

Numbering

*KL-G2 / KL-7400 / KL-820 [12 mm or wider tape]

The numbering feature allows easy printing when inputting each number for labels with consecutive numbers would be a hassle. This is convenient for managing machinery and equipment.

*Numbering from 0 to 99999 with the KL-G2 and to 999 with the KL-7400.
*You can print up to 100 numbered labels per print operation with the KL-G2 and KL-7400, and up to 9 numbered labels per print operation with the KL-820.

The backing paper is not cut. Slit

*Models with half-cut function : KL-G2/CL-7400
